# The Need for CASA in Wisconsin

## CHIPS petitions filed in 2016

This map shows, by county, the number of children for who Child in Need Protective Services (CHIPS) orders petitions were filed in Calendar Year 2016. Each number represents a child who was the subject of a child abuse or neglect investigation last year, and who, following the investigation, was determined to have sufficient threats to their safety to warrant court jurisdiction to protect them.
